GoActive
FAMILY
Support

Reaching children and youth

Go Active Family Support works with children, youth and their families whose lives are affected by a parent's imprisonment.

The team provides school uniform packages, support, advocacy, and accepts agency referrals – all with the goal of strengthening families, empowering caregivers and creating brighter futures for vulnerable children and youth.

GOACTIVE FAMILY SUPPORT

Reaching the invisible victims of crime

Go Active Family Support works with children, youth and their families whose lives are affected by a parent's imprisonment. Our aim is to support youth and families in achieving positive life outcomes, regardless of family history.

Our team provide a range of services to young people and families across the greater Adelaide area. We work alongside school Well-Being officers and School Chaplains.

We aim to work with other agencies to increase school attendance, offer community engagement opportunities and provide vocational direction for older students.

Go Active Family Support will provide a strong holistic life mentoring package with experienced staff.

WHY WE DO THIS

Restoring hope in people's lives makes a real difference. It is estimated there are over 4,000 children with a parent in prison in South Australia. For many families with a loved one in prison, they speak of feeling invisible, overlooked and marginalised by the community. **GoActive Family Support** is here to help and come alongside them.

WHAT WE OFFER

- School and home visits
- School uniform and shoe packages
- Community service referrals
- Advocacy
- Support through transitional stages of growth
- Goal setting and vision planning
- We also provide Mentoring Camps, Birthday Stars and Christmas Angels

GO ACTIVE MENTORING CAMPS

Teaching life skills and values

GoActive Mentoring Camps are custom-designed for the children and youth. Each year, we run multiple camps for primary and high-school aged youth – creating opportunities for mentoring, character development and building community with peers facing similar issues.

BIRTHDAYS STARS

Keeping parents and children connected

Birthdays are an important occasion in the life of children. For those with a parent in prison, birthdays can be a time of sadness or fear that they have been forgotten. **Birthday Stars** provides birthday presents to remind children they are valued and loved by their imprisoned parent on their special day.

CHRISTMAS ANGELS

Bringing joy to children of prisoners

Christmas can be a lonely and isolated time for children when a parent is imprisoned. Each year, **Christmas Angels** provides over 500 kids with two beautifully-wrapped brand new presents each, on behalf of their incarcerated parent – strengthening families and building self-worth.

GOACTIVE GOALS

- To Increase school engagement
- To mentor and support students, develop and implement plans for future success
- To prevent anti-social behaviour
- To develop life skills
- To gain value and self worth
